

# LOVEWELL NEWS

## The Lovewell Summer of 2009 was a wild, creative success!

From May to August we ran nine workshops around the world, worked with over 200 students, employed 35 staff artists and some 3,000 people saw one of our shows. The summer of 2009 made Lovewell history. Thank you all so much for being a part of it.

## PLAY IT BY HEART to be staged in Ohio

A new musical is being created by Brian Yorkey (2009 Tony Award winner for *Next to Normal*), Jerry Taylor (award-winning Nashville songwriter), and David Spangler (artist/educator and founder of Lovewell Institute). *PLAY IT BY HEART* will be presented by the Human Race Theatre Company and is the rags-to-riches story of the Jasper Family, a country music dynasty. Three generations of Jaspers navigate the dangerous waters of fame, fortune and power as they struggle to hold the family together and find redemption through their music.
